

# Consent

## If eligible....

- Read all sections of consent form, exactly as they appear.
- Ask if he/she has any questions about procedures, respond to questions
- Ask if he/she wants to participate.

## If client consents:

1. Assign client a Participant Identification (Participant ID) number.

2. Check box on **Informed Consent Form** confirming client consents.

3. Write or affix Participant ID to consent form.

4. Collect the client's signature on consent form. Co-sign in space provided.

5. Offer client a copy of blank consent form to keep.

### PART II: Certificate of Consent/Assent

I have read the previous information, or it has been read to me. I was able to ask questions about the program. My questions have been answered to my satisfaction.

I consent/assent voluntarily to have my blood tested for recent infection. I understand this will not change my medical care.

I do **not** consent/assent voluntarily to have my blood tested for recent infection. I understand this will not change my medical care.
